Product Description

Package includes: 12 Sunflower smiley face patches

Note: It is recommended to fix the cloth patch position with needle thread before ironing to prevent the cloth patch from shifting. Keep the cloth dry and control the preheating temperature when ironing.

The appliques are coated with a special glue that melts due to heat.When ironing patches,you should keep the cloth dry and control the preheat temperature.You'd better sew them if you want keep them on and never fall off.

We use high quality heat seal backing on all our iron on patches. This allows for a strong bond that holds the test of time. All of our patches can also be sewn on to hold up better to repeated washes.

breanna

It's a cute case, I only have one very minor issue.

Reviewed in Canada on January 15, 2023

Color: Black | Verified Purchase

The phone case is good, feels like good quality and it's very cute. My only issue is that with turning the volume up, I have to press a little tiny bit above the volume up button. Other than that, it's great. I can live with that minor problem

I loved the balloons but the penguin didn't float 😞 my son's fave animal is a penguin so I got this for his pre-K graduation. He was super excited about the penguin but pretty bummed it wouldn't float with the others. Def more of a "hang on your wall" decoration than floating balloon.
